### ANNUAL REPORT

At the outset, brief about our Alma mater, **Soniya Education Trust** was established in the year 1990 by our foresighted President Dr. Hanumant. V. Dambal a well known philanthropist and education reformer of Dharwad.

The **S.E.T's College of Pharmacy** was established in the year 1992 and was the first pharmacy institution in Dharwad city, “**the Vidyakashi of North Karnataka**”. Our institution is imparting quality education in the field of Pharmaceutical sciences.

We are offering all the courses i.e. from Diploma in Pharmacy to doctoral studies in pharmacy. All these courses are recognized by Pharmacy council of India, New Delhi. B. Pharm, M. Pharm, Pharm. D, and Ph.D courses are affiliated to Rajiv Gandhi University of Health Sciences (RGUHS), Karnataka, Bangalore, where as D.Pharm course is affiliated to Board of Examining Authority, Drug controller department, Government of Karnataka, Bangalore.

The institute has made steady progress in the last 32 years with state of the art infrastructure facilities having well equipped laboratories, sophisticated instruments and well stacked library. Also, institution is having biggest building among the Pharmacy colleges under RGUHS.

**III) Curricular and co-curricular activities:**

Our students actively participated in both curricular and extracurricular activities during this academic year. Many of our Pharm D. and M. Pharm and Ph.D scholars participated in various workshops/seminars/conferences and have won prizes in oral/poster presentation at the state and national level, organized by premier institutions. Our Phram.D students also organized much health check up camps at our institution and at rural areas of Dharwad district. One of our students Mr. Raghavendra Shiraguppi was university blue in Handball and Netball (MEN). Many of our students participated in university sports events.

#### **IV) Faculty achievements:**

Our faculty comprises of **07** Professors, **06** Associate professors and **37** Assistant Professors in all 50 teaching faculty are on roll.

Coming to the achievements of our faculty; they constantly participated in national symposium of conferences as resource persons. I am proud to announce here that **Dr. Shrinivas. D. Joshi**, Vice-Principal and HOD of Pharma. Chemistry has received “**Prof. Bhushan most influential Professor of the nation**” award in World Education Congress held at Mumbai in 2023.

Our faculties are also engaged in Research & Development activities, in all my faculty have published more than **25** research papers in national and international peer reviewed scientific journals and have obtained a total of **5** numbers of patents and **6** books were published during this year. All this was made possible because of the constant support by our President, and also our institution has established a scientific services committee to encourage faculty and scholars to present and attend their research work by providing financial assistance. In 2023, 4 Ph.D scholars completed successfully Pre-Ph.D qualifying examination and their admissions were confirmed and also 4 Ph.D scholars were awarded their degree by RGUHS, Bangalore. One of our faculties, **Dr. Pavan Walvekar** completed his Post-Doctoral studies from University of Witwatersrand, Johannesburg, South Africa who was deputed earlier from our institution and has joined back this institution during this year.

#### **V) Infrastructural development:**

During this academic year, our institution created additional infrastructural facilities to name a few - state of the art Pilot plant, Medicinal plant garden, Pharma. Museum and the library facilities were improved by creating additional floor space and 200 books were added during this year. The students' community shortly will have a nice canteen and the co-operative store within the campus for all their daily needs. Shortly our institution is planning to undergo NAAC accreditation process also.

We thank Management and all staff for their constant support and encouragement.
